SUMMARY

Motivated Computer Science student with a keen interest in Machine Learning and Data Science. Seeking to leverage academic knowledge and practical projects to advance in the field of AI and continually enhance my technical and analytical skills.

ACADEMY

BSC. CSIT
April, 2022 -
Present

Lumbini ICT Campus , Gaindakot

Bsc Computer Science and Information Technology (Bsc CSIT) of Tribhuvan University is a 4 year program divided into 8 semesters. I am currently studying in 4th semester.

PROJECTS

Portfolio Website

My personal portfolio website created using HTML, CSS and JavaScript

<https://sudarshanpoudel.github.io/Portfolio/>

ScreenScore

I created a complete API based frontend project for movies details, rating and review.

<https://sudarshanpoudel.github.io/ScreenScore/Html/homepage.html>

ACHIEVEMENTS

TU Top

I had obtained the highest marks in first and third semester exams among students studying Bsc. CSIT at tribhuvan university.
